Identification Number: C00571372

Reference: 48-HOUR NOTIFICATION REPORT, FILED 01/07/2016

Dear Ms. Seufert:

This response pertains to the Reports Analysis Division's ("RAD") Request for Additional Information ("RFAI") dated January 31, 2016, concerning Right to Rise USA's ("RTR") 48-Hour Independent Expenditure Report filed on January 7, 2016. In the RFAI, RAD requests that RTR "amend the 48-Hour Report by providing the state" for national cable independent expenditures made on January 5, 2016. These were expenditures for a national cable media buy on the Fox News

network that were not specific to any state. Unlike broadcast media buys made on a local-affiliate basis, these buys were aired to every Fox News cable subscriber nationwide. A combination of differing pricing models and the fact of national airing makes it impossible to itemize such costs on a per-state basis. We urge the Commission to provide clarity to groups participating in the 2016 Presidential primary elections and adopt a reasonable interpretive rule governing these types of national advertisements.

Please feel free to contact me if you have any additional questions concerning this matter.

Sincerely,

Charles R. Spies Treasurer
